

## **Italy 2019 to eternity**

Geode's filled with the treasures of the Lord

*Dawn Gilmer*

In March 2019, when preparing for ministry time in Italy, I had an amazing dream. Since that time, God has brought this to the forefront of my spirit many times through dreams, and visions. It has weighed heavy in my spirit, and continues to do so. As you receive this word, pray without ceasing, that the King of Glory would arise greatly in the nation of Italy, and her sons and daughters would arise! Before, I share the dream, let me just say that when He began to call me to Italy in 2005; what I heard was that He was pulling down Kingdoms of darkness, and raising up His Kingdom. I then saw a fire right in the middle of Italy come forth and spread in every direction; and throughout the entirety of Europe.

In 2019, He brought even greater clarity to what He wants to do in and through His people to bring His Kingdom on earth; as it is in heaven.

In this dream, I was traveling with a Pastor friend. We were driving to a part of Italy that I had not been before. We reached our location, which was a large classroom like setting to share the gospel. When we walked into the room, we turned on music to sing unto the Lord, but for some reason the music would not play. At that point, it was as if the Lord began to wrap His presence around us and worship began to arise not from our mouths, but from the depths of our beings, then bursting out of us through the expressions He had placed in us. We wholeheartedly began to worship the Lord and give Him complete surrender and reverence. So many different expressions of love and adoration began to take place. We literally were like a living symphony. Then, I looked out across the room to see that every chair was filled. In each chair there was no movement, no expressions, and it appeared to have no life. It was most unusual and unexpected to see that in each chair there was what looked like a large rock sitting on it! The room was motionless, quiet and the rocks were so very hard. We continued to worship in abandonment with our hearts focused on Him and Him alone. There was total freedom to allow God to move through us.

It was time to release the word of God. In the dream, I could not hear what I was saying while preaching, but I knew the essence of it!!!! What was being released was His Love. It was being released through His Word, His impartation, and the reality of His revelation (of a supernatural love that knows no boundaries!) and it began to touch each one of these stones. As God's word was spoken, the stones began to shake and slowly they would begin to break open. God's love was breaking these hardened stones open.

Greatness is always found in the breaking.

These rocks, every one of them, broke open!!!! The Word is powerful and sharper than any two-edged sword, and when His words, and His Life came forth, it broke open all hardness to reveal His unfathomable beauty. What I saw at that point was just amazing!!!! Inside each rock were beautiful crystals that shown like diamonds, rubies, amethysts, and sapphire. There was an array of color, and each rock was different, but all beautiful. The more the word came forth, the more reflective each stone became. They were so brilliant, reflecting the Light, smooth polished and "mirror like". What I was literally seeing was that these rocks that were hollowed out on the inside were actually filled with such a radiant beauty, that only the Father, Our Master, Our Creator could have formed and fashioned each one. The

beauty inside was kept hidden away (and protected) inside the shell of the rock formation, until “such a time as this”. It is a heavenly time, a time for God to break each one of us open, a time to shine and show the beauty of Creation!

It is a time for the true identity of who He created us to be is uncovered. We are coming out of hiding; and we shall shine!

Doesn't scripture tell us that even the rocks cry out? *“As soon as He was approaching [Jerusalem], near the descent of the Mount of Olives, the entire multitude of the disciples [all those who were or claimed to be His followers] began praising God [adoring Him enthusiastically and] joyfully with loud voices for all the miracles and works of power that they had seen, shouting, “Blessed (celebrated, praised) is the King who comes in the name of the Lord! Peace in heaven and glory (majesty, splendor) in the highest [heaven]!” Some of the Pharisees from the crowd said to Him, “Teacher, rebuke Your disciples [for shouting these Messianic praises].” Jesus replied, “I tell you, if these [people] keep silent, the stones will cry out [in praise]!” Luke 19:37-40 Amplified Bible (AMP)*

Italy, it is time now to rise up and be living stones! (1 Peter 2) It is time to step into full confidence of the beauty of His glory and shine like never before. It is time to yield to His breaking, allow Him to break you open and display the brilliancy of His marvelous Light!!!!

*“But you are a chosen race, a royal priesthood, a consecrated nation, a [special] people for God's own possession, so that you may proclaim the excellencies [the wonderful deeds and virtues and perfections] of Him who called you out of darkness into His marvelous light.” 1 Peter 2:9*

*This was the ending of that dream, and the beginning of much more!*

### ***The nation of Italy is called to birth revival fires throughout Europe!***

The people of Italy are called to blow upon dying embers, fan the flames of revival, walk in humility, love and true repentance; and know that God has placed a mandate to walk in His authority, spreading His Truth (His gospel) throughout the land. They are called to be true to the gospel, not lifting up idols and other kingdoms, but to proclaim the Kingdom of Our God, and to reverence our King of Glory! They are called to move in the power and authority of Holy Spirit, and to be the hands and feet of Jesus; literally the body of Christ.

As I continue pray for Italy, God continues to show me geodes.

In a second dream, I was in flight. Our plane was just above the nation, I could see the entire mapping of the nation and the oceans from above. Right in the center of the nation was a huge rock. Once again it was another geode, but this time it was incredible in size. As the plane landed, the rock broke open!!!!!!!!!!

The top of the Geode was pulled back forming a background, like a stage backdrop. Once again, in this geode there was a multitude of multi-colored, brilliantly shining, precious stones! As the rock broke open; fire and water began to flow out and over the stones. The fire and water that came rushing out of this

huge stone began to flood the nation of Italy. At this point I remember feeling a great anticipation in my spirit!!!!!! The fire and water continued to come out and overtake the land: spreading in each and every direction.....there was no end!!!!!! Alas, there was more coming from this living stone!

His radiant sons and daughters, carrying His identity began to march out and flood the land of Italy! They were ready, and robed in majesty with weaponry, and the full armor of God. They were carrying the torch of revival in their hands. They had a mandate that was so wrought in their hearts that there was no stopping them. Their eyes were as fire, and fixed on the captain of the Host, Jesus! The cry of their hearts, and the heart of their King, was, and is, and continues to be to set this nation of fire for the glory of God! This is the army that will come forth, even out of a broken rock.....and, this people will set the nation ablaze with worship, adoration and unstoppable revival that comes wave after wave after wave.....This nation from its very core was destined for revival and destined to be revival fire starters spreading His fiery Love, His Gospel throughout Italy, Europe and the nations!!!!

Italy, hear and see what His Spirit is saying, and go forth in His power and authority, bringing revival into the hearts of men, women and children; and releasing a revival that will last throughout eternity!!!
